## 1. Subject matter of the declaration

This customer information is provided in accordance with Article 3 of Regulation (EU) 2023/2854 (Data Act). It serves to provide users with transparent, understandable, and verifiable information about the type, scope, and accessibility of the data generated when using the product.

## 2. Manufacturer's declaration

The manufacturer hereby declares that the information provided below regarding the data generated by the product is complete, accurate, and in accordance with the requirements of Article 3 of Regulation (EU) 2023/2854 (EU Data Act).

This declaration is intended for users of the product, business partners, and competent market surveillance and supervisory authorities.

## 3. Information about the manufacturer and product
